Berkley Technology Underwriters
a Berkley Company

Insurance for Technology Companies

From the nation's leading businesses to tomorrow's future leaders, Berkley Technology Underwriters is trusted with property, casualty, and professional insurance for technology companies worldwide.

Technology Insurance

Whether it’s Contingent Business Income coverage for a vendor operation in Taiwan, Employers Liability in the United Kingdom, or Property coverage for a distribution facility in the U. S., Berkley Technology Underwriters has the expertise to tailor technology insurance solutions specific to a business’ global needs.

Technology E&O

Innovative coverage to protect your business from potential errors, omissions, or professional negligence.

Cyber

Robust insurance that addresses the unique challenges posed by data breaches, cyberattacks, and other digital risks.

Property

Tailored coverage to protect your tangible assets — including office spaces, data centers, and equipment — from a range of perils and unforeseen events such as natural disasters, fires, or theft.

Liability

Comprehensive coverage, helping protect against potential risks associated with third-party bodily injury, property damage, or advertising injury.

International

Global property, liability, contingent auto and personnel protection coverages, ensuring that your business and its employees are protected.

Workers Compensation

Customized solutions that address the unique risks faced by your workforce, promoting a safe and secure working environment.

Why Berkley Technology Underwriters

As technology underwriting experts, we provide unparalleled solutions and service, offering specialized knowledge and skills across information technology and digital media. With a deep understanding of the dynamic technology industry, we adapt swiftly to its evolving needs, collaborating closely with clients to manage and innovate custom solutions, ensuring we meet the ever-changing demands of technology businesses worldwide.

Specialized

Our entire team — from underwriting, to claims, to risk management— is solely focused on technology exposures. Our deep understanding allows for innovative solutions that are customized to your business needs.
