

Technology companies need well-designed insurance solutions and we have them. At **Berkley Technology Underwriters** our Technology Professional Liability Coverage offerings are some of the most comprehensive products available in the market today. We've structured our programs to allow the buyer to build one that specifically suits the needs of their business operations. Our products include:

**Level One Errors or Omissions** provides coverage on a claims-made basis for the failure of the insured's product(s) or service(s) to function or serve the purpose intended. Features include:

- Enterprise Wide Coverage
- Worldwide Coverage for Suits Brought Anywhere (Duty to Defend Applies Worldwide)
- Includes Representations & Warranties
- Insured Choice of Counsel
- Insured Consent to Settle

*Delay Coverage and Security Breach Coverage are available by endorsement.*

**Level Two Errors or Omissions** provides all of the features included in **Level One** along with these additional enhancements:

- Pure Claims-Made Coverage
- Delay Coverage
- Security Breach / Unauthorized Access Coverage
- Injunctive Relief
- Automatic Additional Insured as Assumed Under Contract
- Multiplied Damages Included Within Definition of Damages
- Foreign Non-Admitted Tax Liability
- Claim Trigger Limited to Written Notice to a Designated Authorized Person as Defined

The **Level Two Errors or Omissions** program allows the insured to add additional coverage under the same policy for exposures relating to Cyber Liability, Privacy Liability, or Communications Liability. This is our most flexible product option.

**Level Three Errors or Omissions** is our most comprehensive coverage form. It includes all of the other features outlined in our Level One and Level Two products, but also includes coverage for Privacy Liability and Privacy Event Expenses along with Communications Liability coverage. All of these coverages are included under a single form.

All of our Errors or Omissions, Cyber, and Privacy Liability products are available on a mono-line basis or in combination with any of our package products.
