RISK CONTROL COLLABORATION

CUSTOMIZED SOLUTIONS

At Berkley Technology Underwriters, we understand your business. After all, our singular focus is providing insurance solutions around the world for discerning technology companies.

Our team of risk control and underwriting experts understand the ever-evolving demands of the tech industry and we work with our clients to deliver smart, innovative and customized solutions that not only protect your business from existing risks but also keep you ahead of emerging threats

HELPING MANAGE YOUR TOTAL COST OF RISK

Our **Risk Management Center** provides a unique web-based software suite of safety and risk management tools designed to empower your organization's risk prevention efforts. The Risk Management Center allows you to reduce risk and improve workplace safety by creating effective risk mitigation programs. For no additional costs, we provide a safety center for your entire organization that is easy to access and use. The Risk Management Center is right for any tech organization that wants to proactively manage risk to reduce claims and tackle total cost of risk.

Risk Management Center tools and resources include:

- Video and training library access to hundreds of online videos and tools for employee safety and training
- Workers compensation claim kits and safety posters
- Ask the safety expert – Submit your safety questions to an expert who will contact you right away
- HR Library – Where you'll find HR best practices, tools and resources to help your organization maintain compliance

CYBER SECURITY

Defending against cyber threats requires the right expertise and the right tools. BTU Professional Liability policyholders receive access to the eRiskHub® portal powered by NetDiligence®, an award-winning provider of cyber risk management software and services. The eRiskHub® provides tools and resources to help customers understand their exposures, respond effectively, and mitigate the effects that a cyber breach can have on your organization.

In the event of a breach, we have partnered with MOXFIVE, expert technical advisors, to provide clarity and peace of mind after a cyber-attack.
